STOPPING AN OLD TIME PRACTICE—EIGHT REN YOUNG WARRIORS FINED.—The eighteen white and colored boys, from "Bull Town" and "New Towo," respectively, strested Tuesday night and Wednesday morning, for being engaged in a stone battle, heretofore noticed in the Gazette, were before Mayer Ecckham yes terday evening, charged with disorderly conduct on the screets. After hearing the evidence the Mayer assessed a fine of \$2 against each one of the combatants. Seventeen of the boys paid their fines, or at least their parents paid for them, and they were discharged. One colored bey was held for the non payment of his tine. The Mayor took coasion, after the trial, to say that he not only intended to break up the pasttime of fighting stone battles, but the congregating of beys in disorderly crowds on the various street corners of the city. The fighting of stone battles is an old time practice among the boys of this city. The "Bull Town" and "New Yown" boys have always been enemies, and the contests that have taken place between them have been many. Before the war the fire companies constituted the contending parties, the Hydraulion [Yollow Jackets] and the Sun [Bloody Red] being the principal down town erowds, with the Friendship holding power up town. The "long Whart" boys were at one time the champion invenile crowd. During the war every district of the city had its organized erowd, and conflicts were frequent. There were the "Whart Rats," "Egg Shells," "Tunnel Towners," "Clay Hillers," "Vinegar Hillers," "Bull Town Boys," "New Town Boys," "Five Point Boys," &c., &c. The battle song of the 'Egg Shell Boys' was-

"Pass the bottle around, We are all getting dry, Give three obeers for the Egg. Shell Baye, And two for Old Buck Hye."

Since the war the martial spirit of the bays seems to have died out, as the crowds named are now no more. The battle the other night is the first that has occurred for many years.

ALEXANDRIA GAME PROTECTIVE ASSOCIA-TION. - The annual rouples and disper of the Alexandria Gamo Protective Association was held yesterday at Fort Foot and was one of the most enjoyable affairs of the kind over given. The members left this city in row beats, sail boats, skills, &c., and by noon had assembled to the number of about forty. The day was spent in hunting, fishing, saling, cating and drinking, and every one who attiended erjoyed himself to his heart's content. The event of the day was the diener and the feature of the dinner was the chowder, which was made strictly under the supervision of Maj Gee. Duffey. He had for his assistants Aldermen, who realed potnices and skinned catfish; Coun cilmen who skinned onions; merchants who picked birds, &c., and when that chowder was served it was good enough for a king. The dinner was presided over by Mayor Beckhein, and toasts were drunk and happy responses made by Messrs. Downham, Strauss, Burke, Creighton and others. A large number of invited guests were in attendance, all of whom expressed themselves as highly pleased with the manner in which they were received and

THE WEATHER TO DAY,-There have been several light showers of rain to day. A high east wind has prevailed, esusing a very high tide in the river, overflowing the marshes on the outskirts of the city, and making the hearts of the guaners leap for joy, because of the splendid of portunity afforded for sora and reed hird shooting. If the wird continues the next tide, it is expected, will overflow the wharves. The thermometer to day has registered 80 degrees.
